

# Internship Opportunity with SAE-A

## Technical Research Intern

SAE-A is seeking applications from suitable candidates for a volunteer Technical Research Intern. This immediate start internship requires you to commit for a minimum of 2 months, assisting with research on the subject matter for the Asia Pacific Conference (APAC) 2021 which will focus on autonomous vehicles technology. The office location is 464 St Kilda Road, Melbourne and the hours of works are negotiable over 2-3 days per week.

AVT is the technological breakthrough for a myriad of reasons: safety, efficiency, connectivity, industry 4.0, smart cities, cost and reliability. APAC will address innovation in vehicle manufacturing and challenges with connectivity, whether it be people or infrastructure. The conference will give SAE-A the opportunity for the Asia Pacific region to maintain its leading position in technology uptake, learn from world experts, see how other countries are adapting to this new era of a connected future.

### Skills and Abilities

- Excellent English written and oral communication skills
- Ability to work alone and meet deadlines
- Competent computer skills

If you are keen to be part of the team, please send your resume to [info@sae-a.com.au](mailto:info@sae-a.com.au)

This is a great opportunity to jump start your career!

Applications close on 21 June 2019
